

“Last Child”, A Tribute To Aerosmith, is the newest and one of the most successful projects by Saint Louis’ Farrell Webber and The Farrell Webber Band.

The Farrell Webber Band currently tours with 5 different tributes, a testimony to the versatility of the musicianship and lead vocals of founder, Farrell Webber.

Farrell, guitarist and front man for **“Houses of the Holy”** A Tribute to the music of **Led Zeppelin**, **“Straightshooter”**, A Tribute to the music of **Bad Company**, **“Seven Bridges Road”** A Tribute to the music of **The Eagles** and **“Black Water”**, A Tribute to the music of **The Doobie Brothers**, has released 8 original albums, including the critically acclaimed **London Calling** release, **“Blood in the Water”** and has also been a member of **Ken Hensley** and **Uriah Heep**, and recorded with **Willie Nelson**, **Ken Hensley**, **The Rainmakers** and many more.

His diverse vocal range and tonal ability allow the spot on emulation of each of the tribute original vocalists as well as everything from **Prince** and **ACDC** to **Janis Joplin** and **Stevie Nicks** in the **Farrell Webber Band**.

His dynamic stage persona and raw energy complete the “true to form” interpretation of **Steven Tyler** in **“Last Child”**.

Larry Smith and **Mark Crowell** are hailed as two of the most amazingly gifted guitarists in the Midwest, as well as being highly proficient singers and keyboardists as well. Their “lick for lick” attention to detail is nothing short of astounding.

Rob Sherman on bass is not to be topped anywhere. Aside from being the thundering backbone with drummer, **John Tellman**, **Rob** contributes synthesizer and outstanding vocals as well.

John Tellman can best be described as a combination of **John Bonham** and **Keith Moon** with a voice the likes of **Timothy B. Schmidt** of **The Eagles**.

“Last Child” covers the entire discography of **Aerosmith** so fans young and old are sure to be pleased and amazed!
